

CURRICULUM VITAE

Dr. Arturo Ruiz Vargas

1. ACADEMIC DETAILS

02/2019 – 04/2021

MBA. Master in Business Administration

Centre: EAE Business School

05/2008 – 05/2012

Ophthalmology Specialism (MIR pathway)

Centre: Consorci Parc de Salut Mar –
H. de GF l'Esperança (Barcelona)

09/2001 – 06/2007

Degree in Medicine

Centre: Universidad Autónoma de Barcelona (UAB)

Languages:

- Spanish: Native speaker
- Catalan: Native speaker
- English: Advanced

2. WORK EXPERIENCE

- 05/2012 – 11/2012** CONSORCI PARC DE SALUT MAR / HOSPITAL DE L'ESPERANÇA
Assistant doctor in ophthalmology – Ocular Surface and Cornea Department. Over 250 cataract and cornea surgical procedures performed as chief surgeon, such as endothelial corneal transplant and amniotic membrane transplant. Accredited to perform Kearing® intracorneal ring transplants.
- 12/2012 – 12/2017** HOSPITAL 2 DE MAIG – CONSORCI SANITARI INTEGRAL
Assistant doctor in ophthalmology – Anterior Segment Department. Over 1500 surgical procedures carried out including secondary lens implantation and other types of procedures related to the anterior segment.
- 11/2014 – 04/2015** INSTITUT COMTAL D'OFTALMOLOGIA
Assistant doctor in ophthalmology – Ocular Surface and Cornea Department. Private sector work experience monitoring patients' corneal pathologies, refractive defects and cataracts.
- 05/2015 – Present:** INSTITUT CATALÀ DE RETINA
Assistant doctor in ophthalmology - Ocular Surface and Cornea Department. Private sector work experience in monitoring patients with corneal pathologies, refractive defects and cataracts. Course in health and safety in the workplace in the medical sector. Performed over 1000 cataract surgeries including implanting Premium toric and multifocal lenses. Wide ranging experience dealing with patients with all kinds of pathologies within the fields of anterior segment, ocular surface and cornea, both for programmed surgery and emergency surgery.
- 03/2019 – 03/2022** INSTITUT CATALÀ DE RETINA
Medical director of the Bonanova eye surgery clinic.
- 03/2019 – 03/2022** INSTITUT CATALÀ DE RETINA
Head of the Department of Cornea.

3. OTHER COURSES

- **Course: “Programa de Formación en Oftalmología PROVISION”**. Unidad 1 y 3. American Academy of Ophthalmology.
- **Course: “Jornada de Cirugía en directo”**. 19 February 2010. H. Universitario La Paz. Madrid
- **Course: “Iniciación a la vitrectomía”**. 11 June 2010. Wet – Lab de Alcon. Masnou, Barcelona.
- **Course: “Trabeculectomía”**. 15 July 2011. Wet – Lab de Alcon. Masnou, Barcelona.
- **Course: “Avances en cirugía de la córnea. Trasplante de córnea, implantes y prótesis corneales”**. 8 and 9 April 2011. Instituto Universitario Barraquer
- **87th Congress of the Spanish Ophthalmological Society**. 21 – 24 September 2011. Oviedo.
- **Course: “Abordaje integral del queratocono”**. Intermediate.
- **Course: “Oculoplastic & Corneal-Leaks”**: All you ever wanted to know. 4 November 2011. Barcelona.
- **Course: “Actualización en sistemas diagnósticos del segmento anterior”**. 11 and 12 November 2011. Córdoba.
- **Course: “Inicio a la Queratoplastia”**. 18 November 2011. Wet-Lab de Alcon, Masnou, Barcelona
- **Course: “Cirugía de Refractiva y Catarata: Update 2012”**. 17 February 2012. Barcelona.
- **Course: “Entrenamiento quirúrgico para la aplicación de anillos intracorneales Keraring”**. 24 February 2012. Oftaltech. Barcelona.
- **Course: “Queratoplastias y Terapias Regenerativas de la Córnea”**. 11 and 12 May. Oviedo.
- **Course: “Teórico – Práctico de Queratoplastia”**. 24 May 2012. Wet-Lab de Alcon. Masnou, Barcelona.
- **Observer at the Hospital de la Arruzafa in the subspecialty of cornea with Dr. A. Villarrubia**. August 2011. Cordoba.
- **Course: “Teórico-Práctico de Queratoplastia”**. Instituto Oftalmológico Barraquer. 27 February 2017.
- **DMEK Clinical Wet Lab**. NIIOS, Rotterdam. 9/10 October 2018.

4. MERITS

- **39th Congress of the Catalan Ophthalmology Society.** 20, 21 and 22 November 2008
Co-author of the panel presentation “Lente intraocular tórica en pacientes con astigmatismo corneal y catarata”
- **Speaker at the course “Protocolo del manejo del Glaucoma en IMAS: CAP – Hospital de l’Esperança” with the presentation: “Tratamiento médico: Potencia, efectos secundarios y sistémicos”.** 19 June 2009. Hospital de l’Esperança (Consorti Parc de Salut Mar) Barcelona, UAB.
- **40th Congress of the Catalan Ophthalmology Society.** 19, 20 and 21 November 2009.
Author of the panel presentation
“Neuritis óptica atípica como debut de una Esclerosis Múltiple”
- **86th Spanish Ophthalmology Society.** 22 – 25 September 2010.
Co – autor of the presentation “Fenilefrina intracamerular en el síndrome del iris flácido intraoperatorio”
- **87th Congress of the Spanish Ophthalmology Society.** 21 – 24 September 2011. **Author of talk**
“Edema macular cistoideo con tracción vítreo-retiniana tras cirugía de facoemulsificación”.
- **Received the qualification Research Proficiency for doctoral thesis with the work:**
“Fenilefrina intracamerular en el síndrome del iris flácido intraoperatorio”. 27 October 2011. Universitat Autònoma de Barcelona (UAB).
- **42th Congress of the Catalan Ophthalmology Society.** 24 – 26 November 2011. **Author of the talk:**
“Presuntos depósitos corneales de cobre bilaterales de origen idiopático”
“Hemorragia macular aguda por macroaneurisma”
- **87th Congress of the Spanish Ophthalmology Society.** 26 – 29 September 2012. **Author of the video:**
“Trasplante de doble membrana amniótica con Tissucol® en perforación corneal por entropión secundario a conjuntivitis cicatrizal crónica”
- **30th Congress of the Spanish Refractive Implant Spanish Society.** 14 - 16 May 2015. **Author of the talk “Organización de circuitos para implantación de lentes tóricas en Hospitales Públicos”.**

5. STUDIES

- Participation as a consultant ophthalmologist in following 3 studies carried out at the Consorci Parc de Salut Mar:
- A8081005: Open phase II study, with only one treatment group, into the safety and effectiveness of "PF- 02341066 en pacientes con cáncer de pulmón no microcítico (NSCLC) avanzado que presentan una traslocación o inversión en el locus del gen de la quinasa de linfoma anaplásico (ALK)". Promotor: Laboratorios Pfizer.
- A8081007: Open, randomized phase III study into the safety and effectiveness of "PF-02341066 frente a quimioterapia estándar (permetrexed o docetaxel) en pacientes con cáncer de pulmón no microcítico (NSCLC) avanzado que presentan una translocación o inversión en el locus del gen de la quinasa de linfoma anaplásico (ALK)". Promotor: Laboratorios Pfizer.
- BO21189: Multicentre phase I study: de escalada de dosis, con extensión, para evaluar la seguridad, farmacocinética y actividad de RO4987655, un inhibidor de MEK, administrado por vía oral en monoterapia en pacientes con tumores avanzados. Promotor: Laboratorios Roche.
- Participation as a collaborating ophthalmologist in the study: "Manejo de los desórdenes palpebrales por el oftalmólogo, en la práctica clínica habitual". Coordinated by Professor Benitez del Castillo. Promotor: Laboratorios Thea. February - June 2013.
- Participation as a collaborative ophthalmologist in the study: "PASSY: Patient Satisfaction Survey" (Estudio de satisfacción del paciente). Coordinated by Dr. Muñoz Negrete. Promotor: Laboratorios Thea. October 2013 - March 2014.
